Dear Mary Howard:

I wanted to take a minute out and express how I have enjoyed working with both Donna Hukalowicz and Michelle Aaron. These two team members are always willing to help me with anything I throw at them and stay in a great mood. My emails and questions are answered in a timely manner. Also staying late on a Friday night to do a closing is just in the line of duty for these girls.

I truly appreciate the partnership that we have with Cornerstone Title and I look forward to the transactions we have with you in the future.

Respectfully,

A handwritten signature in cursive script that reads 'A. Tucker'.
