

Mary,

I will use adjectives to describe your service:

Prompt, efficient, courteous, timely, professional, calm, unshakeable, resource of information. I have been in the real estate business in Manatee County for over 5 years and closed with just about every title company and real estate attorney in town and Cornerstone by far is the best in doing what they say they are going to do and taking charge of the transaction so that I as an agent can take care of other facets of my business and not have to keep "checking up" on my title company.

I am proud to close ALL my clients with Cornerstone.
