I have had the opportunity to work with Mary Howard over the last four years in the Mortgage/Real Estate industry. I have found that Mary has a very high level of integrity along with a great work ethic. Her kindness and understanding for my client's needs goes way beyond any other Title Company in the Sarasota – Bradenton area. She has exceptional follow through and I have full confidence that when Mary is involved with one of Visionary Mortgage's loans that my client will be taken care of every step of the way and that they will leave the closing with a great experience.
