Good Morning, Mary

I did not want a day to go by without letting you know what a TERRIFIC job that Michelle did on the closing for 2715 60th Avenue, Drive, West last evening.

In twenty five years of doing real estate, I never encountered any Closing Agent to be so dedicated to her job. Many nights, after hours, she was on the telephone to me and all that were involved in the closing to pull it together. IT WAS NOT AN EASY TRANSACTION.

It was a pleasure to do business with Michelle, and I am certainly going to pass her cards around to my office and others. Have a wonderful and successful year!

Sincerely,

Ele Stephenson, GRI, CRS
